### **WHEN AUDITIONING FOR A T.T.P. SHOW, PLEASE NOTE:**

- We have zero tolerance for bullying, harassment, or exclusion of any kind. This applies both inside and outside the rehearsal hall. Failure to uphold this standard may result in dismissal from the production.
- We strive to create a space that is safe for creative expression and exploration. Judgmental behaviour, comparison, or rude remarks will not be tolerated.
- If cast in this production, a Parent/Guardian volunteer commitment is mandatory. Volunteer opportunities may include marketing, front of house, backstage support, and more.
- Attendance is mandatory. We understand that illness and emergencies occur; however, missing more than three rehearsals throughout the production process may result in reconsideration of participation in the show.

- If you accept a role in *Finding Neverland* and later withdraw for another opportunity, this may impact future casting consideration for T.T.P. productions.
- At-home work is expected. Performers are required to arrive prepared, on time, and ready to rehearse.
